BY MAAX[®] SPAS

MAAX Saunas by MAAX Spas' New Sauna Wellness Pro Series Saunas!

The home sauna retail business is enjoying steady market growth and is among the top luxury purchases in 2024. MAAX Spas is pleased to announce our entry into the sauna market with a groundbreaking innovation in wellness technology. The *Patented Photonic Sauna System* integrates traditional sauna elements with advanced infrared and red-light therapies. MAAX Saunas feature this patented technology allowing you to enjoy the relaxation and detoxification of a classic sauna, enhanced by the deep-penetrating heat of infrared, and the revitalizing effects of red-light therapy.
